## BUSINESS SUMMARY

UGI Corporation is an international energy distribution and services company that provides superior service in delivering a range of energy products. By operating as a best-in-class service provider, offering a great place to work, serving our communities and delivering value to investors, we aim to positively impact the lives of our shareholders, employees, customers and communities.

*UGI Corporation (NYSE: UGI) is a holding company that distributes and markets energy products and services through our subsidiaries and the company's common stock is a balanced growth and income investment. UGI Corporation has paid common dividends for more than 134 consecutive years.*

## UNIQUE GROWTH OPPORTUNITIES

### ➤ Natural Gas & Electric Utilities

A superior range of products and services that provide the energy to do more UGI Utilities, Inc. operates a regulated natural gas distribution business and an electric utility. Its natural gas business prior to October 1, 2018, was comprised of UGI Utilities and two separate, wholly owned natural gas distribution utility subsidiaries, PNG and CPG. UGI Utilities, PNG and CPG have been consolidated by merger effective October 1, 2018, with UGI Utilities as the surviving entity. The gas utility serves more than 642,000 customers in 45 eastern and central Pennsylvania counties and one Maryland county. UGI Utilities provides electric utility service to more than 62,000 customers in Luzerne and Wyoming counties in northeastern Pennsylvania through over 2,200 miles of transmission and distribution lines and 13 substations.

### ➤ Midstream & Marketing

Highly reliable and personalized energy solution

UGI Energy Services, LLC supplies and markets natural gas, electricity and liquid fuels to approximately 35,500 residential, commercial and industrial customer locations across the mid-Atlantic and northeastern United States. UGI Energy Services also conducts UGI's midstream natural gas business through its ownership of underground natural gas storage, gas peaking plants and pipeline assets in Pennsylvania and owns all or a portion of electric generation assets principally in Pennsylvania.

### ➤ International

A leading LPG supplier in Europe serving 17 countries

UGI International distributes liquefied petroleum gas (LPG) in 17 countries in western and central Europe, operating under seven distinct brands. It also operates a gas marketing business in select countries. UGI International's businesses are among market leaders in their respective countries.

### ➤ Domestic LPG Distribution

The number one LPG distributor in the United States

AmeriGas Partners, L.P. is the nation's largest retail propane marketer, serves over 1.7 million customers in all 50 states from approximately 1,900 locations and conducting business principally through its subsidiary, AmeriGas Propane, L.P. AmeriGas is dedicated to providing its customers with the safest, most reliable and most responsive commercial and residential propane service in the country.

### **UGI Joins CEO Action for Diversity & Inclusion**

May 19, 2021-- UGI Corporation announced that John Walsh and Roger Perreault are joining over 2,000 other chief executive officers in signing the CEO Action for Diversity & Inclusion™ pledge, the largest CEO-driven business commitment to advance diversity and inclusion in the workplace.

The CEO Action for Diversity and Inclusion™ commitment is driven by a realization that addressing diversity and inclusion is a collaborative societal effort and CEOs can play a critical role. Companies from 85 industries have signed on, giving the signatory group unique perspectives on how to develop comfortable environments for employees to thrive and feel empowered to discuss critical diversity and inclusion topics.

The CEO Action pledge centers around four commitments: cultivating trusting workplaces, implementing and/or expanding unconscious bias education, sharing best—and unsuccessful—practices, and creating and sharing strategic inclusion and diversity plans with our Board of Directors.

### **UGI Corporation Announces Executive Appointments for its Global LPG Line of Business**

May 18, 2021-- UGI Corporation announced the appointment of three executives to leadership roles in its Global LPG line of business, effective June 1.

- Hugh Gallagher, currently President & CEO of AmeriGas Propane, was named Chief Strategy Officer - Global LPG.
- Paul Ladner, currently Chief Operating Officer of UGI International, was named President of AmeriGas Propane.
- Laurence Broseta, currently Vice President of UGI International's Region West and President of Antargaz, was named President of UGI International.

Mr. Gallagher, who joined UGI in 1990, served as Vice President, Finance & CFO of AmeriGas Propane (2013 to 2018) and most recently as President and CEO of AmeriGas Propane (since 2018). Previously he served as Treasurer of both UGI and AmeriGas, as Director - Treasury Services and Investor Relations of UGI, and Director of Corporate Development at AmeriGas and in various finance and operating roles of increasing responsibility.

Mr. Ladner returns to AmeriGas Propane as President after serving for the past 10 years in various leadership roles at UGI International, including as Chief Operating Officer (since 2018), based in Paris, France. He previously served as head of UGI International's Central and East Regions, based in Warsaw, Poland, as well as in various sales and marketing positions for UGI's subsidiary, Flaga GmbH. Prior to UGI International, Ladner held several management roles of increasing responsibility at AmeriGas Propane.

Ms. Broseta joined UGI in 2019 as Vice President of UGI International's Region West and President of Antargaz, based in Paris, France. She has more than 15 years of operational, technology, strategy, and leadership experience in the transportation sector in Europe, including as International CEO at Transdev, a company that specializes in integrated transportation services, and various leadership roles at RATP, a French transportation company. Prior to joining UGI, she led teams in continental Europe, the UK, and in South Africa.
